

PROSPECTUS

At-Taqwa

School and Tahfeez

Assalamu'alaikum and welcome to **At-Taqwa School and Tahfeez** (ATST), a prestigious institution that seamlessly blends British and Middle Eastern curriculums, crafted by esteemed scholars to offer a unique educational experience.

Our students, branded as Taqwaians, embody the qualities of the **Muttaqin** as described in **the Qur'an**, striving for excellence in this world and the hereafter. With the largest private residential campus in the country, we are committed to nurturing students to meet international standards.

InShaAllah.

Our Philosophy:

We perceive **ISLAM** as an all-encompassing way of life (**Deen**), transcending the limitations of mere religion, and we regard the pursuit of knowledge as essential for both **worldly** and **spiritual** advancement.

Our Vision:

“Elevating Islamic Excellence”

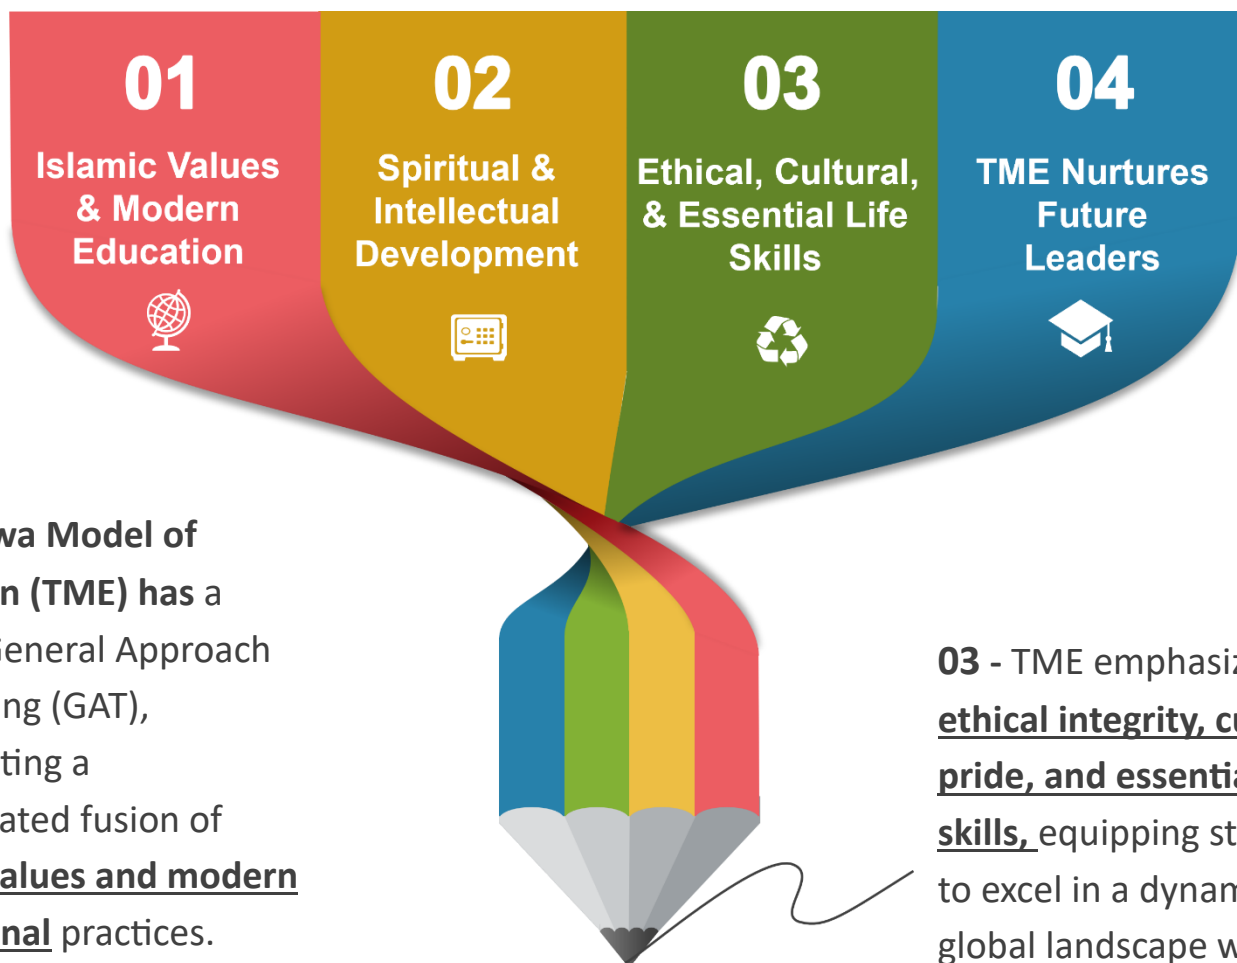

Our Mission:

- To nurture individuals who excel **ACADEMICALLY** and **PERSONALLY**, are grounded in Islamic principles and are dedicated to their country.
- To provide a supportive environment for pursuing **EXCELLENCE** at leading institutions, fostering strong **FAMILY** values, and cultivating visionary **LEADERS** who contribute positively to society and the world.

Grooming Focus:

- Our dynamic curriculum and schooling inspire students to pursue studies at **DESIRED** universities and commit to serving their **COUNTRY**.
- We guide students to become Muttaqin by instilling strong Islamic principles, understanding the purpose of life, **PURIFYING** intentions, **PERFORMING** ibadah in all deeds, and **AVOIDING** sins and negative influences.

Taqwa Model of Education

01 - Taqwa Model of Education (TME) has a unique General Approach to Teaching (GAT), representing a sophisticated fusion of **Islamic values and modern educational** practices.

02 - This innovative approach balances **spiritual and intellectual development**, creating a holistic framework that prepares students for both personal and professional success.

03 - TME emphasizes **ethical integrity, cultural pride, and essential life skills**, equipping students to excel in a dynamic global landscape while remaining deeply rooted in their faith.

04 - Through this balanced and forward-thinking methodology, **TME nurtures future leaders** who are both principled and proficient, ready to make a positive impact on the world.

Wellness & Behavioral Program:

Parents will be happy knowing that the Taqwa Model of Education (TME) integrates thoughtful features designed to support our students' holistic development in study-skills, mental-wellness, and behavioral-growth, facilitated by our dedicated clinical **COUNSELOR** and **THERAPIST**.

Through these initiatives, we strive to enhance our students' self-awareness, confidence, motivation, decision-making, goal-setting, problem-solving, interpersonal skills, and **RESPECT** for others.

The Taqwa Teaching Paradigms

Aspiration: To cultivate **Taqwa**ians—students who are well-rounded, compassionate, and deeply grounded in the teachings of the Qur'an, ready to contribute positively to society as dynamic **DOCTORS**, innovative **ENGINEERS**, groundbreaking **SCIENTISTS**, visionary corporate **LEADERS**, dedicated government **OFFICIALS**, insightful Islamic **SCHOLARS**, influential **POLITICIANS**, and more.

Comprehensive Resources:

Institutional Campus:

We proudly feature a 20-acre permanent school campus in Munshigonj, alongside our capital campus in Bashundhara.

Bilingual Teacher:

We have globally experienced mentors who train educators and native-speaking teachers to attain an authentic accent.

Multimedia Classroom:

Our multimedia classrooms enhance the learning experience through interactive lessons and engaging educational resources.

Care Kitchen:

Our hygienic canteen helps students maintain a healthy lifestyle by providing delicious, wholesome, nutritious meals and snacks.

Sky Play Zone:

The rooftop play zone offers a vibrant space for students to engage in physical activities, stand-in teamwork, and enjoy outdoor fun.

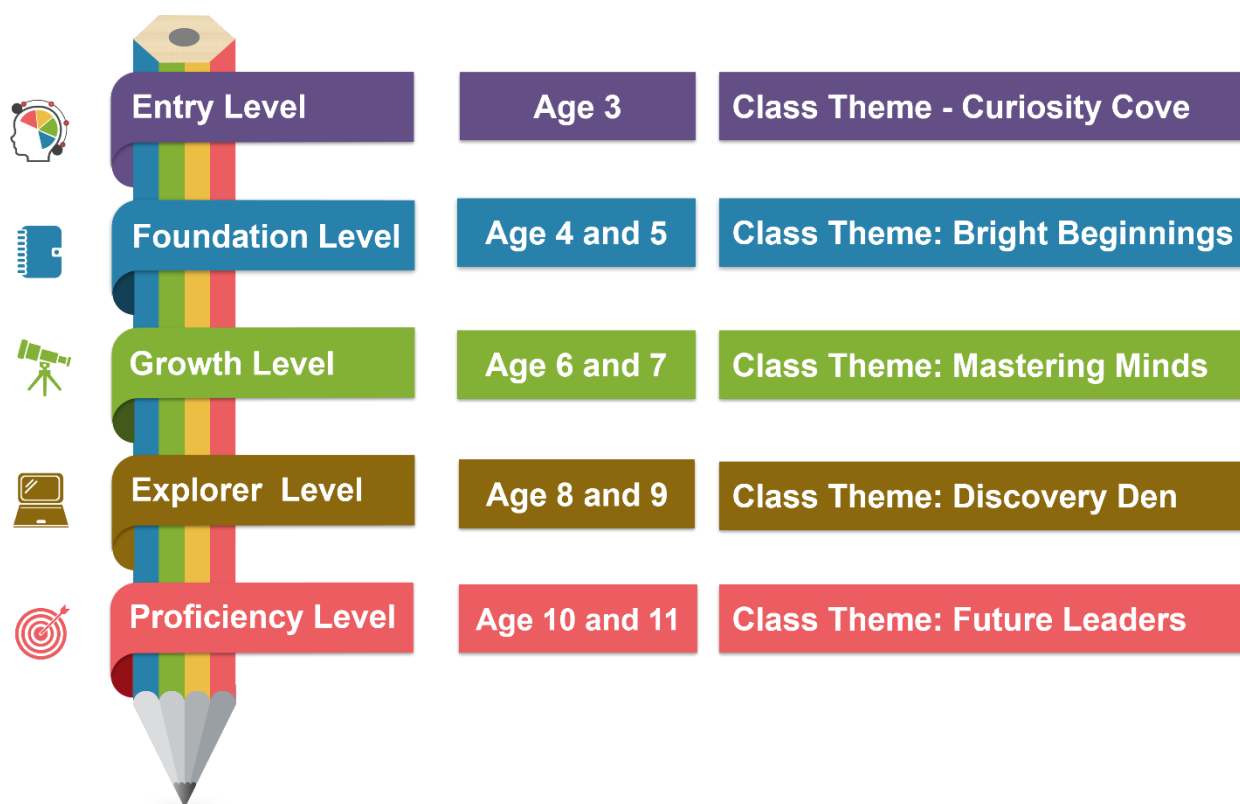

Life Skills Lab:

An energetic space where students can master crucial life skills, enhance teamwork, and immerse themselves in practical learning.

Achieving Holistic, Sustainable Growth Through Age-Appropriate Thematic Learning:

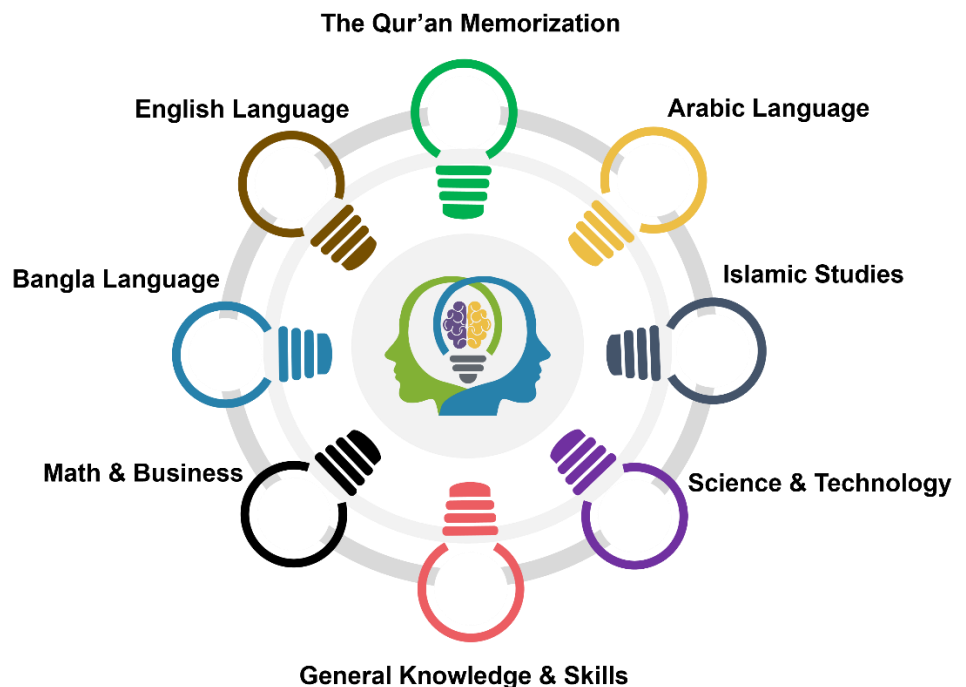

Our innovative teaching approach ignites curiosity and fosters creativity through engaging, **themed classes** that lead students on exciting journeys of discovery.

This meticulously crafted two-year class structure empowers students to **master subjects** without the weight of excessive textbooks, ensuring they are well-prepared for primary school graduation and facilitating a seamless, confident transition to **Class 6**.

Course Outline:

we promote campus activity-based, hands-on learning conducted by mentors to minimize home tuition, with all programs personalized and books customized to meet our students' specific needs:

Learning Schedule:

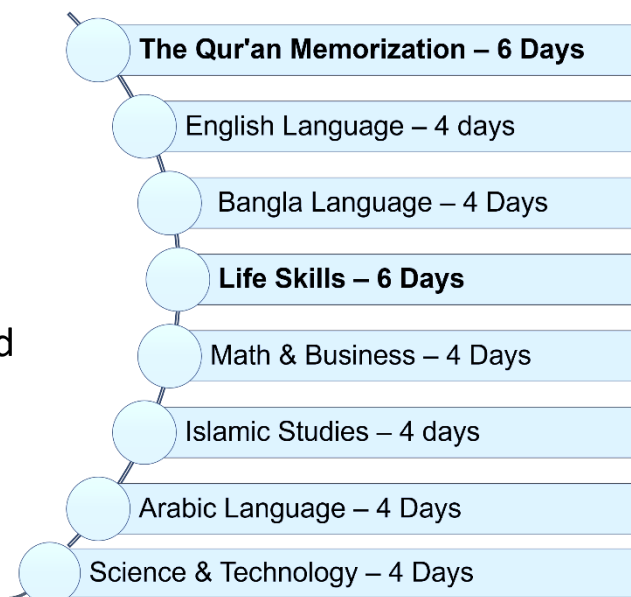

Understanding our curriculum's focus on **A HANDS-ON** daycare learning approach through practical and engaging activities, you'll see that our daily class schedule is structured from **7:30 AM to 6:30 PM**.

This setup promotes consistency and discipline, along with daily entertainment, life skills, and general education for holistic development. Parents have the options to provide proper nutritious meals or utilize our hygienic school canteen service.

Saturday | Sunday | Monday | Tuesday | Wednesday | Thursday

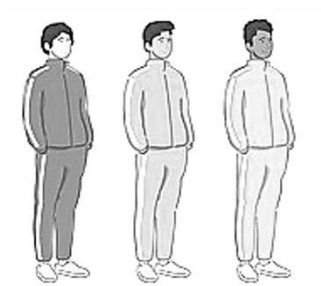

Structured Learning Days:

Each day is structured to emphasize specific concepts within a consistent routine, thereby enhancing student **ENGAGEMENT** and enriching the learning **EXPERIENCE** through a balanced educational experience that promotes both physical activity and language proficiency.

Saturdays and Tuesdays

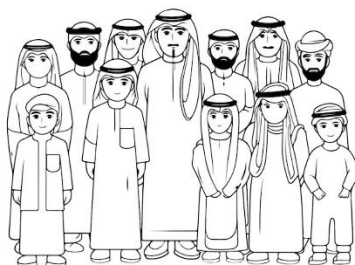

are dedicated to sports and skills development, where students will participate in physical activities and communicate in Bangla throughout the day.
